Planning to Read through the Bible Again in 2024?

Something you might think about in reading through the Bible in 2024 is to try using a different version of the Bible. It is amazing how reading through a different translation can open up Scripture for you and help you see things you might have missed in the past.

New members class – January 13th, 2024

There will a class for those interested in learning about our Declaration of Faith (what we believe as a Church body) and our Constitution (how our Church operates). This would be good for anyone who is thinking about becoming a member of Grace Church.

Please – continue to pray for Israel.
