GRACE NOTES — Sharing the **Word** with the **World** — November 2026

From the Pastor's Desk
The Privilege of God's Grace
Pastor Dan Daniels

As I was driving over the mountains on my way to Grace Church this morning, I began to marvel at what a wonderful privilege it is to experience the grace of God!

Grace is God's unmerited favor toward us. It means that God loves us, forgives us, and offers us salvation, not because we deserve it, but because of His great love and mercy.

The Bible reminds us in Ephesians 2:8 that we are saved by grace through faith. We cannot earn our salvation through good works, or religious activities. Salvation is a gift from God, made possible through the sacrifice of His Son, Jesus Christ, on the cross.

Think about that for a moment. Even when we fail Him, God offers forgiveness when we come to Him with repentant hearts. When we are weak, His grace strengthens us. When we are discouraged, His grace gives us hope. And when we face challenges that seem too difficult to overcome, His grace encourages us. 2 Corinthians 12:9

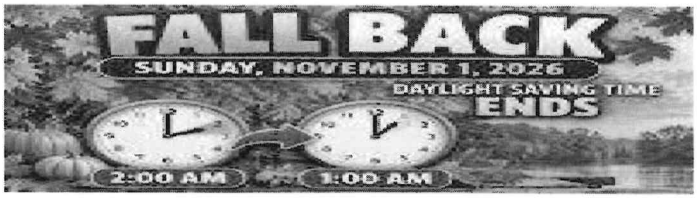

What a privilege it is to know that we do not have to face life alone! God's grace sustains us through our struggles and reminds us that His love never depends on our perfection.

But this privilege also brings responsibility. We should never take God's grace for granted. Instead, we should respond with gratitude, obedience, and a willingness to extend grace to others. Just as God has been patient and merciful toward us, we should show patience and mercy to those around us.

Let us remember: We do not deserve God's grace, we cannot earn God's grace, and we can never outgrow our need for God's grace.

Grace Church's VISION 2026
Share the WORD with the world

Grace Church's vision for the past year has been "Share the WORD with the world". Have you been able to share Jesus with friends and neighbors? It is never too late to start. The harvest is plentiful – the workers are few. Ask God to give you the words when you are talking with others. With our words, we plant, others water, but God causes others to come to know Him. Always be ready to share. You don't want miss an opportunity to share the Word with others.
