GRACE NOTES

Sharing the WORD with the world

October 2026

MISSIONARY OF THE MONTH

Closed-Country Missionary A

To protect this missionary and his family, we will not publish or broadcast his name. God will know for whom you are praying.

Answers to pray from Closed Country Missionary A

- Ø Despite the political unrest in this closed country, "the welfare of the children in the orphanage has improved. This is partly due to a larger living space leading to a better setting for their daily activities and studies."
- Ø For enhancements to the orphanage property, including the planting of trees along the perimeter.
- Ø For the co-workers and staff members who work with the children at the orphanages.

Prayer Requests:

- Ø For his wife who broke her foot at the beginning of the summer.
- Ø For a planned trip to his home country (also a closed country) to establish a home base for future ministries.
- Ø Establish long-lasting relationships to facilitate the work in his home country.
- Ø For God's protection as he "sets foot in enemy territory."
- Ø Political unrest in the country where they serve.
- Ø Protection from political violence that exists and continues to rise.
- Ø Freedom to share the Gospel with many in both countries of ministry.
- Ø Financial stability as they face rampant inflation and steep price increases.

Welcome our new pastor, Pastor Dan Daniels and his wife Patti. They come to us from Montague, CA. Along with pastoring, Dan works at New Traditions Dulcimers & Wood Works, building fine, handcrafted musical instruments, out door furniture and miscellaneous wood projects.

Dan also presents a weekly on line video called Grace Notes which you can find on You Tube at youtube.com/watch?v=LDH25roQXvE. The video also has a transcript that you may read as you listen to his message.

Continue to pray for God's blessings on the Daniels.

Grace Church's VISION 2026 Share the WORD with the world

Have you shared the Word with anyone this past month? Jack and I were traveling for the Gideons and had stopped at Madras for lunch. As I was eating my hamburger, I noticed the cleaning lady was headed for the women's restroom. I thought, "when I finish with my hamburger, I'll go in and give her one of my Testaments". She came out before I finished eating my hamburger. Then she came back, again I thought "if she's still there when I finish, I'll go give her a Testament." As I reached the door of the restroom, she was just coming out. I told her I had a gift for her. I showed her the helps in the front and the plan of salvation in the back cover. She hugged the Testament to her and said "Oh, I needed this!" I almost missed an opportunity to share the Word because I thought I had to finish my hamburger. When God nudges you – **MOVE** - or you might miss an opportunity to share the Word.

Words from Pastor Dan
September 8, 2026

For a better morning:
Talk with God first.

For a better night:
Talk with God last.

For a better life:
Talk with God all day.

Be decisive.
Right or wrong,
make a decision.
The road of life
is paved with
flat squirrels
who couldn't
make a decision.
